Re: West Avenue Redevelopment Project

Dear Common Council members:

The Eastern Norwalk Neighborhood Association has in the past been vocal in expressing our concerns regarding the size and design of the proposed West Avenue development. Our concerns were heard and the project was scaled back over the years, resulting in the current project proposed by the Norwalk Redevelopment Agency.

Since the proposal that you are currently reviewing for approval is a conceptual plan there will be many opportunities in the months ahead to have input into the design of the project as site plans are drafted and changes to specific properties are discussed.

The ENNA Board of Directors is looking forward to working with the designated developer, the City of Norwalk and others interested in revitalizing the West Avenue area as soon as possible. We, therefore, ask that you approve the project at your next Council meeting.

Sincerely,

Laurel Lindstrom, President
