Michael Moore, Senior Community Development Manager
Northwalke Housing Corporation
125 East Avenue, Norwalk, CT 06856.

Dear Mr. Moore:

On behalf of the Eastern Norwalk Neighborhood Association's (ENNA) Board of Directors I am writing to convey my support for Northwalke's application for funding to implement plans for Parcel 3 of the Wall Street Redevelopment Plan.

The ENNA serves the southeastern quadrant of Norwalk, which includes Parcel 3.

The goal of the Wall Street plan is to revitalize Norwalk's downtown by restoring a residential population to the area, capitalizing on existing natural and city-owned assets. Locating new residential development in the heart of this downtown area, housing it in quality architecture, and making it affordable to a range of Norwalk residents is precisely what is called for in the redevelopment plan and the community consensus that underpins it. The project locates the population near to jobs, services, and public transportation, and is smart development in a region struggling with transportation issues.

I urge you to support this application to help make Norwalk's traditional center a more vibrant, efficient, and successful downtown.

Sincerely,

Laurel Lindstrom, President
